

Recipe: Festive Pumpkin Popcorn Balls

Ingredients:

- $\frac{1}{2}$ c. unpopped popcorn (about 8 cups popped)
- 5T. butter
- 12 oz. marshmallows

Garnish Suggestions:

Tootsie rolls or black licorice, candy corn, candy eyes, green frosting for leaves...

Instructions:

You can use store bought popped popcorn or pop your own. Place popped popcorn in a greased bowl. Melt butter in saucepan. Add in marshmallows and stir to keep from scorching. If coloring, stir in 2 drops red and 3 drops yellow food coloring.

Pour over popcorn and stir to completely cover.

Let mixture cool slightly on wax paper or parchment.

Use hands or a large ice cream scoop to mold into balls.

Add candies to decorate your pumpkins or just create festive fall popcorn balls with candy.
